Requests should be made two months prior to the funds being required to allow for the approval process. The club is not in session during July or August so your requests must be received prior to those months.

If funded, you will be assigned a Club member representative to facilitate transfer of funding dollars. A wrap up report in letter form, stating how the funds were used, needs to be sent to the Kinsmen and Kinette Club of Kindersley within 2 months of receiving the funds. The assigned representative member will contact you to discuss this. If you would like to visit our club to follow up, we would love to hear how you are doing!
